Fuzzy Wuzzy:

We've had a ----- time this year?
But remember - we've waited 12 years
to get to this point. Oh wow! I really
don't (sob, sob) know quite (sob) what to say.
Enjoy your last(er, life) to the utmost.
Between Joe Hills 2 years ago and our
announcement today we, the class of 71,

Mary

Eric - I've
really been some years
in life with realizations
of weaknesses and strengths
is a bad thing. A person can
be right and also wrong - who
knows. Be interesting at
our reunion of the 71 class to
see what we have experienced and
made of our lives. Choose some
keen goals and lots of everything -
even sadness - so you may enjoy
every aspect of life
fully.
Eric (we would story
write that
no one has
ever written!)

Iver Anderson Esq.

Eric: Always remember our
great and wonderful 4th in
English class. Good luck in
college next year and have
a really nice summer.

Good Luck in the Future,
P.S. It's good to know
we have produced at
least one good undergrader.
It takes all kinds to make a
world. Keep up all sincere
efforts towards this lifes
improvements. I'm sure this
School will really miss
you the most x out of
this whole crazy class
you seem to leave an impression

Who's Crazy Now?

presented by the Class of 1972

On November 19, 1970, the auditorium stage became an insane asylum for crazy teachers of the Hancock High School in a humorous three-act play. The idea that the insane are often hard to distinguish from the sane was proven by a visit from Florence Ware, the niece of the asylum's superintendent, Mr. Arthur. Her Uncle thought he could change his niece's mind about becoming a teacher if she saw what occurred after ten years of teaching. During her stay Miss Ware met many strange people. Being a little naive she became involved in a conspiracy with the "mad" Doctor B. Armstrong-Stones to cure a so-called "patient", Doctor Van. As the story progresses it became quite apparent that Miss Ware had the two doctors mixed up, for Doctor B. Armstrong-Stones was crazy and Doctor Van was as sane as you!

For the first time ever, Hancock High presented a Broadway musicale — a patriotic, flag-waving, inspirational production which appealed to both young and old.

The drama and music departments

combined forces and called upon the total student body for assistance. Together, after much hard work, we put make-it-big Georgie on stage by mid-April. The musicale ran three nights, receiving much acclamation.

The story of George M! and the memory of the fine production put on by the students will long remain with those of us who produced or saw it.

George
M!

Born amidst Fourth of July excitement, little George M. Cohan generated excitement on stage throughout his long career. He lived and breathed theatre most of his life — it was the reason for his existence.

In the process of reaching the top, George had to clear all obstacles. His energy and talent forbade all who would stop him; by the wayside fell small people, directors, his first wife, and finally his family.

George leaves behind many notable words and songs which live today: "Yankee Doodle Dandy," "Give My Regards to Broadway," and "It's A Grand Old Flag."

When George M.'s star began to fade, he could not accept it. The theatre had changed; his family group existed no more; nobody wanted or appreciated him.

George M. Returns

George's faithful second wife helped to re-kindle the indomitable spirit in him, and in a stirring finale, he was once again George M!, the pride of Broadway!

Hancock's Bulldogs came up with a winning team for the second year in a row when odds were stacked high against us. Our stingy defense again showed its mettle as only 56 points were allowed our opponents for the season. Coach Parker, named C. C. Coach of the Year last year, was again named C. C. Co-Coach of the Year.

HCH 3, Norway 8

In the season opener at Norway, the Bulldogs scored on a field goal by Grandelis, but failed to post a win against a big, experienced team on foreign territory. An important Hancock touchdown was voided on a technicality, giving Norway the win.

HCH 3, Ontonagon 0

Hancock posted a victory in the conference opener on a cool day at Condon Field on another field goal by Grandelis. The first of many for a team that "couldn't possibly win."

HCH 10, Lake Linden 8

Hancock was behind 8-7 even after a touchdown on a hot day here at Condon, when a last second field goal by Grandelis put us ahead 10-8. We fought the last half scoreless, giving us the win, our second for the season.

HCH 8, Calumet 0

Hancock won her Homecoming against Calumet, another respected conference team, here, to give us our fourth conference win. The point after touchdown topped off another fine showing by the Bulldogs.

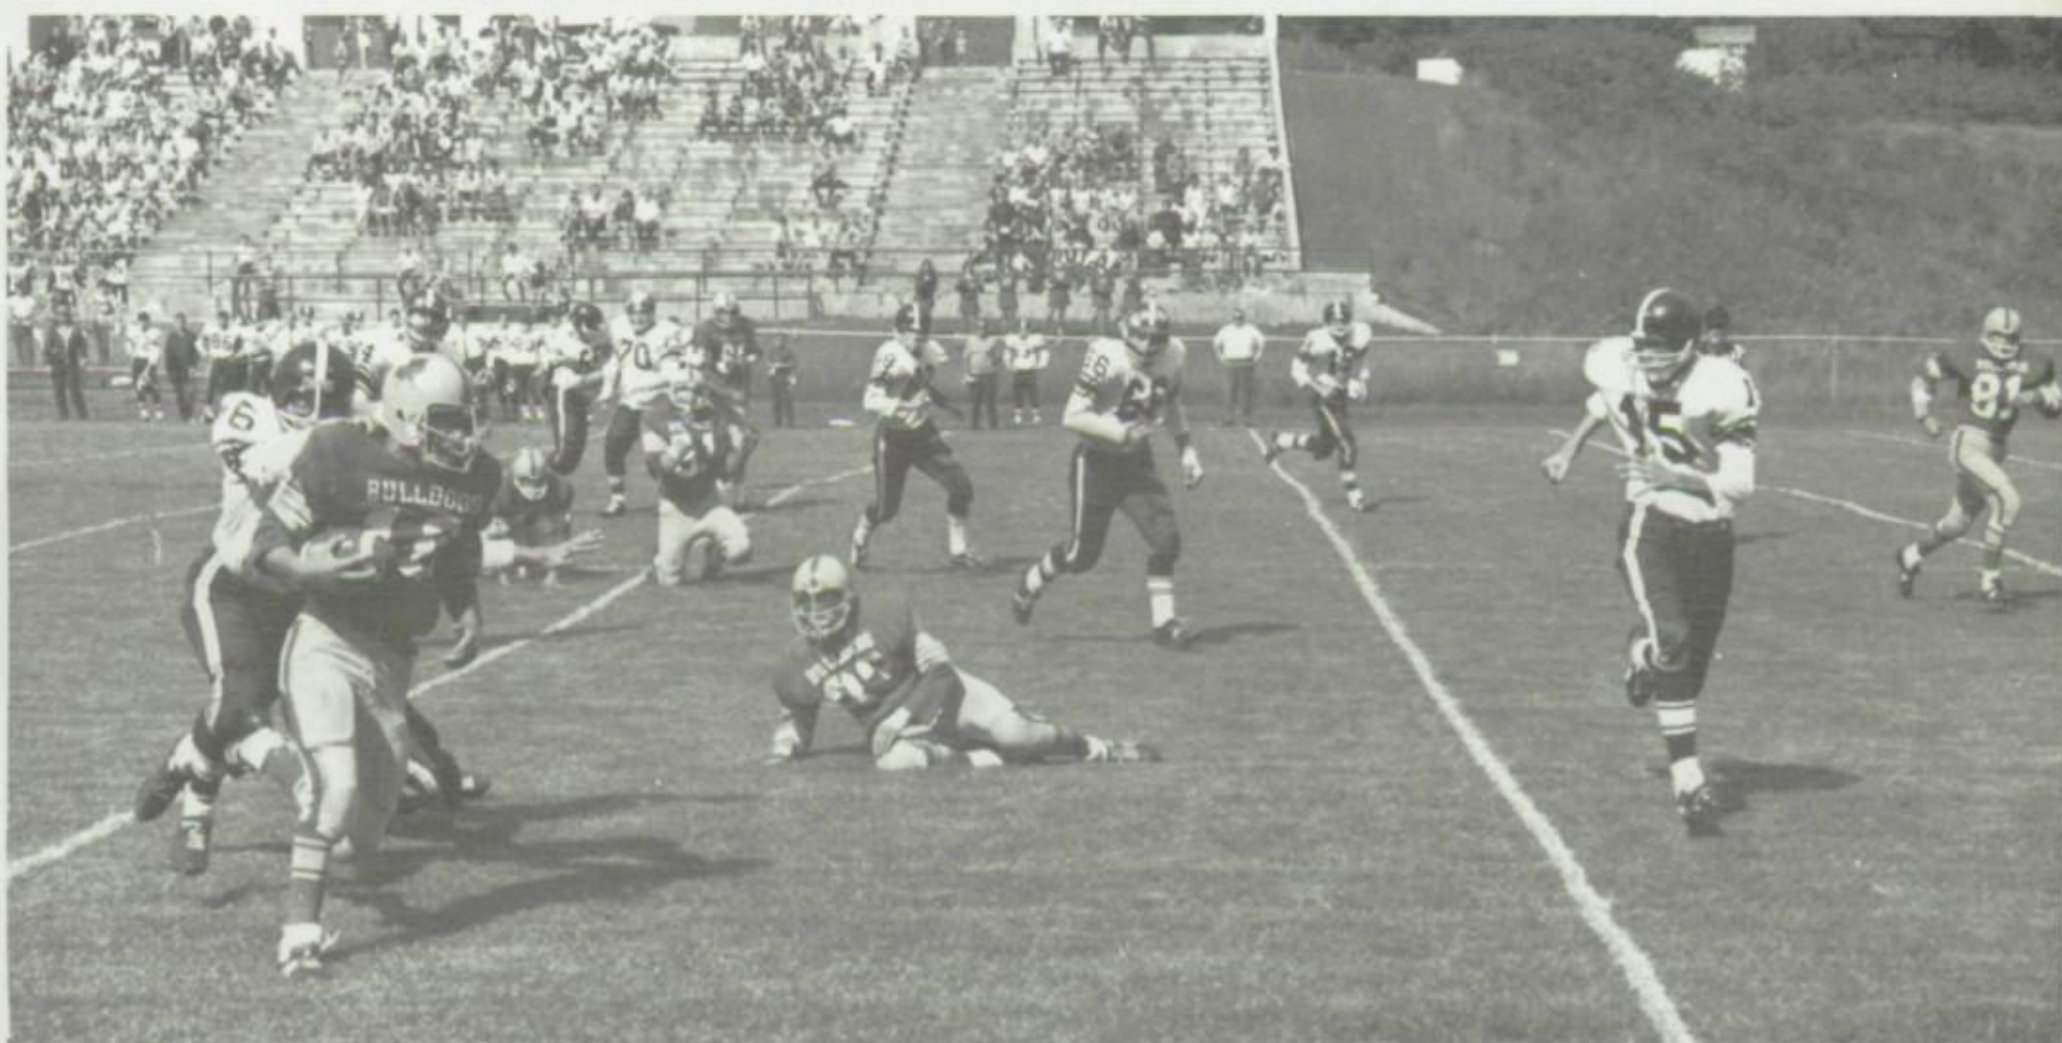

HCH 6, Crystal Falls 6

On a cold rainy night at Crystal Falls, the Bulldogs and Trojans fought nearly to a scoreless tie when late in the last quarter, Crystal capitalized on an HCH fumble to score. Hancock blocked the PAT, then we scored to tie it 6-6 and narrowly missed our own PAT.

HCH 10, Wakefield 8

Coming up against a high-ranking Wakefield team, Hancock posted another conference win in a hard fought battle at Condon Field. HCH scored from behind on a long touchdown run by Kangas. A Cardinal ballcarrier was caught in his own end zone, giving us the win on a safety.

HCH 0, L'Anse 22

The Bulldogs were hit hard by state-ranked L'Anse, who capitalized on every mistake to hand us our only conference loss. Despite the overwhelming odds, we did a great job holding the Hornets to 12 points until near the end.

Copper Bowl 1970

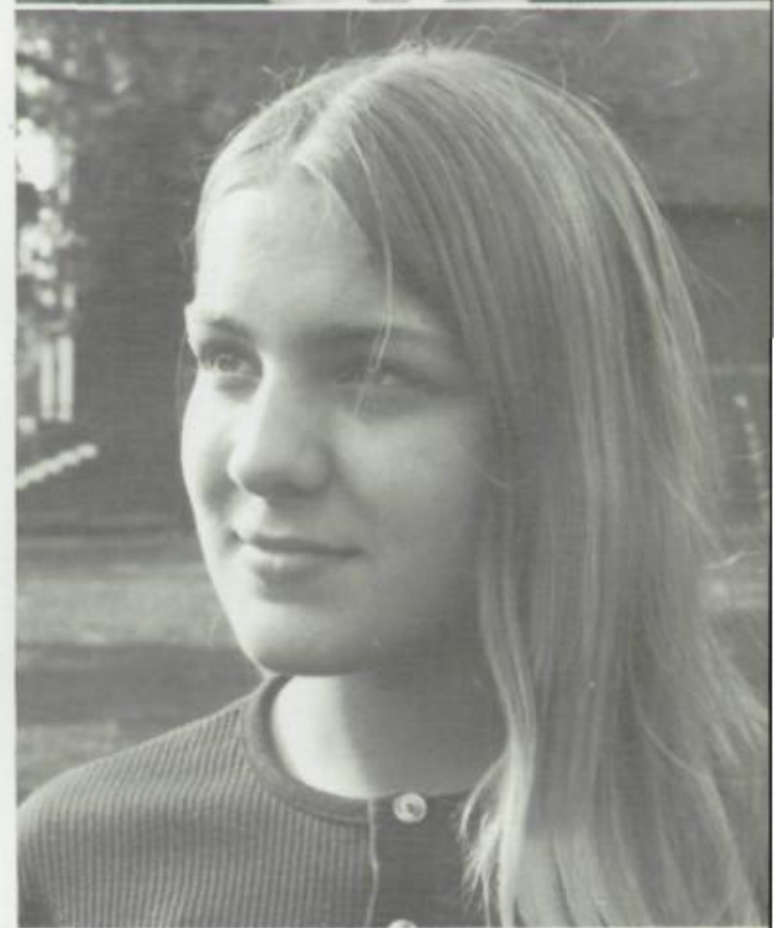

HCH 6, Houghton 0

Hancock blanked Houghton again this year to return the coveted Copper Bowl to our trophy case for the fourth consecutive year. Making his only career touchdown was Joe Gasperetti in the first half. Both teams battled a fine scoreless second half to make the annual event another success this year. Hancock holds the edge in the series. The season finale gave us our final conference win this year. Our team record under Coach Parker stands at 12-2-2 in two years.

We've come along way from our 3rd grade Halloween party with Miss Puri (you were Superman) and our 4th grade Christmas play and the Beatles in 5th grade with Mrs. H. Those were the days. Good luck in your years to come. Keep your imagination at work. I'm sure you'll have a good happy life.
